

# STOP THE OBAMA ABORTION AGENDA

To All U.S. Senators and U.S. House Members:  
**We urge you to reject Barack Obama's radical abortion agenda.**

Barack Obama and his allies in the pro-abortion Democratic leadership in Congress are taking aim at unborn children and their mothers with a radical pro-abortion agenda, including:

- requiring taxpayers to fund abortion for any reason.
- forcing hospitals and health care professionals to provide abortions.
- funding organizations that perform and promote abortions.
- forcing employer health insurance plans to cover abortion.
- enacting a bill that would invalidate virtually all state and federal laws limiting abortion, including parental notification laws, and make partial-birth abortion legal again.\*
