

THE NATIONAL PETITION TO STOP THE ABORTION AGENDA

New York State Right to Life is co-sponsoring a National Petition Campaign to Stop the Abortion Agenda. The results of the petition will be sent to Congress.

WE NEED YOUR HELP !!! WE MUST ACT IMMEDIATELY !!!

1. Please collect signatures on the petition from your friends, family and neighbors. Arrange to have petitions signed at churches, fairs, shopping centers, and any other places where pro-life people may gather. For example, petitions can be circulated at church Bible study and adult discussion meetings.
2. Feel free to photocopy the petition. Give copies to anyone who can help gather signatures. Collect signatures on only ONE SIDE of each petition form.
3. Advertise the petition by announcements at appropriate meetings, or through inserting a notice in your church bulletin. Here is a sample announcement:

4. Choose a convenient method of gathering signatures. A long table or several card tables can be used, or a number of clipboards with petitions and pens attached. Have an ample supply of PENS, NOT PENCILS.
5. Please mail the signed petitions AS SOON AS POSSIBLE to:
