

NYS PETITION TO STOP RHA

New York State Right to Life is sponsoring a Petition Campaign to Stop the Reproductive Health Act. The results of the petition will be sent to the NY State Senate.

WE NEED YOUR HELP !!!

1. Please collect signatures on the petition from your friends, family and neighbors. Arrange to have petitions signed at churches, fairs, shopping centers, and any other places where pro-life people may gather. For example, petitions can be circulated at church Bible study and adult discussion meetings.
2. Feel free to photocopy the petition. Give copies to anyone who can help gather signatures. Collect signatures on only ONE SIDE of each petition form.
3. Advertise the petition by announcements at appropriate meetings, or through inserting a notice in your church bulletin. Here is a sample announcement:

*PETITION TO STOP THE REPRODUCTIVE HEALTH ACT
You are invited to sign a petition to members of the NY State Senate asking them to stop radical abortion legislation. The petition will be located at (place) on (day, date) at (times).*

4. Choose a convenient method of gathering signatures. A long table or several card tables can be used, or a number of clipboards with petitions and pens attached. Have an ample supply of PENS, NOT PENCILS.
5. Please mail the signed petitions AS SOON AS POSSIBLE to:

New York State Right to Life
41 State Street, M -100.
Albany, NY 12207

Send the sheets in as they are completed -- we'll be happy to receive additional signatures later.

***Thank you for all your efforts on behalf of
unborn children***
